TRANSPORTATION OPERATIONS COORDINATING COMMITTEE

Matthew Edelman
Executive Director
TRANSCOM

Matt Edelman is Executive Director of TRANSCOM, based in Jersey City, NJ. TRANSCOM is a coalition of the 16 major traffic, transit and public safety agencies in the New York/New Jersey/Connecticut metropolitan region. On a 24/7 basis, TRANSCOM ensures a coordinated, multi-agency response to major incidents. It also coordinates construction among its member agencies. TRANSCOM implements intelligent transportation systems on a coordinated, regional basis.

Prior to TRANSCOM, Matt was Director of the Freight Planning Division of the Port Authority of New York & New Jersey, where his responsibilities included truck size and weight, the Conrail sale, and freight data. He began his career at NJDOT.

Matt is a member of TRB's Regional Transportation Systems Management and Operations Committee, the Policy and Business Council of ITS America and he is a Board Member of ITS - New Jersey and ITS -New York (he was named to the first class of the ITS-NY Hall of Fame in 2014). He served as the first Steering Committee Chair of the I-95 Corridor Coalition.

He received an MS in Civil Engineering from the Massachusetts Institute of Technology and a BA from Wesleyan University.
